

Dear walking friends

The organizing team of the Fuldamarsch is planning to hold a 2-days event in October 2021 according to the Corona restrictions. Here are some infos about the rules. Please read carefully!

According to the still ongoing situation with the Corona virus we decided the following points:

- For 2021 there will be a maximum number of 500 participants. Should the situation with the virus get better and allow more participants, then we will inform you about it.
- This event will only be a walking event without the usual festivities. Right now we plan to offer a 21 km and a 42 km round course (without bus transfer) on Saturday and a 21 km on Sunday. Also both days an 11 km for IML walkers 70 years and older.
- There will be **no mass accommodation** in sleeping halls this year. If you plan to come you have to organize your own accommodation in hotels or whatever.
- Participants with camper vans have to use the big parking place across the street. The usual place behind the hall will be closed!
- There will be **no breakfast and evening buffets** this year!
- If we can offer coffee, cake etc. to buy depends on the Corona situation at the time of the event.
- There will be **no tent** for buying food and drinks in front of the hall. We hope to organize food cars where you can buy something to eat or drink.
- According to the present Corona restrictions there will be **no seating in the hall**.
- The showers will be closed.
- On the routes we will offer different snacks and drinks that are included in the starting fee. For the drinks you have to bring your own cup with you! We will not sell food or dinks on the routes.
- The only way to register for the Fuldamarsch 2021 is via the online registration on our website. According to the Corona rules we need the full name, address, birth date and phone number, otherwise no registration!
- The registration opens on July 1st, the deadline will be September 15. No more registrations after this date! Should the maximum number of 500 be reached before this date, this also would mean no more registrations possible!
- The starting fee has to be paid immediately after the registration and you will get your startcard by mail. On the day of the event there will be no possibility to pay for your startcards or for late registrations!
- The registrations are final, name changes etc. are only possible via email until September 15. No name changes, cancelling startcards or late registrations at the event!
- Walkers who only want to do the IVV/EVG walks also have to register before the event with name, address and phone number. We also may have to decide on a maximum number for them also. There also will be no late registration for IVV walkers at the start! An alternative for people who didn't register would be the permanent walk in the city.
- Depending on the changing situation with the Corona virus and the restrictions from the authorities, there is still the possibility that the event has to be cancelled. In this case you will be informed and get a refund of the starting fee!

24.01.2021 Stay healthy!
